

PRELIMINARY NOTICE – Hold the dates!

EGLC14 : 19th, 20th & 21st October, Nottingham UK

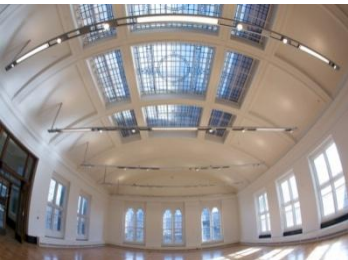

19th October : Industry Day 8:45 – 17:00

- Hear about the latest Lean construction implementations (*contributions from Astra Zenica, Costain, Shepherd, Sandwood, Anglian Water Alliance, Crown House Technologies so far*)
- Share your experience in discussion sessions
- Take away some new thinking to improve your business, your research or your teaching

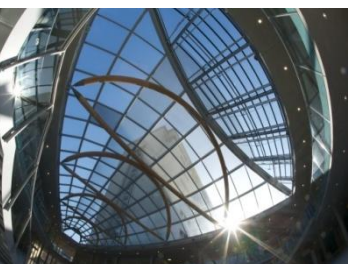

20th, 21st October : EGLC research seminar 9:00 – 17:00

- Themed open sessions for researchers and teachers to discuss their work
- One keynote presentation each day to challenge our thinking
Proposals for themes, keynotes and topics now invited
- Publication of formal proceedings with ISBN number as measurable output

Cost : Industry Day £130 +VAT

Full fee delegates qualify for 20% discount from LCI UK Ltd membership
40% discount if attending EGLC research seminar (availability limited)

Cost : Research seminar (2 days) - £125 + VAT

No discounts are available as this is a nett cost rate

Lunch and refreshments provided all 3 days

EGLC14 dinner to be arranged @ cost to be notified

Venue – Nottingham Conference Centre, Nottingham Trent University

NTU is in the Centre of Nottingham, 20kms from East Midlands airport with good connections to many European cities. Nottingham is close to the English Peak District if you wish to stay for the weekend and enjoy walking, mountain biking or touring and visiting English Country Houses and Pubs in quiet English countryside.
